Camp Beech Grove begins this summer at Central in Atlanta

Central Congregational UCC in Atlanta is starting a new camp program this summer. Focusing on environmental education, the day camp for children aged 5-8, will utilize the nature preserve surrounding Central's campus. Camp Beech Grove is open for one week sessions between June 1st and July 10th. From the organizers:

> *We will sing, play, learn about the forest around us, hear sacred stories, gain environmental awareness through fun hands-on activities, do some yoga and learn the ways of compassionate communication. Our camp is part of Central Congregational UCC – open, progressive, evolving, and Christian.*

Please spread the word to families in the Atlanta area that might take part in the fun! For more information you can download the brochure for Camp Beech Grove by clicking here. You can also connect with the organizers by contacting Central at 2676 Clairmont Rd. NE, Atlanta, GA 30329, www.central-ucc.org. Call at 404-633-4505 or email beechgrove@central-ucc.org.
